- 1) The hand carved sterling silver cane is bejeweled with natural emeralds, rubies and blue sapphires. The intricately carved cane has filigree design work all over it and measures 35.5” in length and tapers from 0.50” at the tip to approximately 2.25” in diameter at the handle. There are approximately four hundred assorted sizes of rubies, emeralds and blue sapphires pronged set in the filigree work on the cane. The rubies, emeralds and blue sapphires are all I2 (commercial grade) clarity. The cane weighs approximately 4.0 pounds in sterling silver.

Value-\$8,500.00
