**WE CREATE POWERFUL EMOTIONS AND
MEMORIES THROUGH IMMERSIVE ATTRACTIONS**

Introduction

Welcome to your personalized proposal from Creative Works. We thank you for this opportunity to show you the difference of the WOW effect!

You're in the business of emotions and memories. If you want to get customers off the couch and in your center, you must provide **amazing experiences** they can't get at home.

At times it seems like there are countless attraction options, and it can be daunting to find your way. We're here to guide you and provide the resources to make the right attraction choices.

Your Journey.

Through the journey so far, we've discovered your goals and assessed your project to create a proposal that fits your needs. Over the last 22 years, we have developed an efficient process to bring your attractions to life. Here is a brief overview of the next steps in your journey so you know what the future holds.

- **Develop** - We send your custom attraction through our creative process and develop layouts, designs, and renderings.
- **Fabricate** - We produce your custom attraction in our 33,000 square foot Theme Factory. Our project manager works directly with your architects and contractors for a seamless process.
- **Install** - We assemble your custom attraction at your facility. Our team puts the finishing touches on the project to make sure we deliver the WOW Effect, and we welcome you to our family.
- **Support** - We implement ongoing technical support for your attraction. Our support team has an extensive knowledge base to answer questions and maximize your uptime.
- **Educate** - We provide documents, videos, and educational events to set you up for continued success.

Hologate Blitz Details

Hologate Blitz is the ground-breaking new product from the global leader in location based VR. Following in the footsteps of the worldwide success of the Hologate Arena, we are proud to introduce the next big thing in out-of-home VR: Hologate Blitz, a motion simulator platform fully optimized from the ground up to be the gateway to a new VR experience.

The Hologate Blitz was designed from the start as a multiplayer, flying and racing platform. It allows 2, 4, or 8 players to fully immerse themselves in magical worlds filled with fire breathing dragons, epic space battles, and futuristic racers. And that's just a glimpse into the possibilities of total fantasy immersion.

Anchor Attraction

Hologate Blitz is a revolutionary, premium product, unmatched by other motion simulators.

Eliminate Motion Sickness

Experience absolutely no motion sickness due to extremely low latency and our next-level network and code design.

Premium Range of Motion

The Hologate Blitz can move almost a full meter in height and can tilt $\pm 30^\circ$ in every direction.

The Right Partner

Creative Works' has been a leading attractions provider for over 21 years. With this attraction, you get all of the resources that come along with that:
