Remarks:

I hereby authorize the above repair work to be done along with the necessary material, and hereby grant you and/or your employees permission to operate the vehicle for the purpose of testing and/or inspection. An express mechanic's lien is hereby acknowledged on above vehicle to secure the amount of repairs therein.

Not responsible for loss or damage to vehicles or articles left in vehicles in case of fire, theft or any other cause beyond our control.

In the event that you, the customer, authorize commencement but do not authorize completion of a repair or service, a charge will be imposed for disassembly, reassembly or partially completed work. Such charges will be directly related to the actual amount of labor or parts involved in the inspection, repair or service.

## LIMITED WARRANTY

**WHAT IS WARRANTED AND FOR HOW LONG?** Subject to the terms hereof, including the exclusions and other limitations listed below, parts purchased at any TravelCenters of America or Petro Stopping Centers location (each, a "TA or Petro Location") will be, at our sole option, repaired or replaced without additional charge if they fail due to a defect for a period of one (1) year from the date of purchase. Service work (labor) performed at a TA or Petro Location is warranted to be free from defect in workmanship for 120 days from the date of service. If you purchase a used tire at a TA or Petro Location and the tire fails due to a defect within seven (7) days of purchase, we will, at our sole option, repair or replace the used tire. These limited warranties do not apply to products or vehicles used for racing or off-road purposes, or to damage caused by abuse, accident or neglect. New tires and batteries are warranted separately by the manufacturer and not included in this warranty.

**EXCLUSIONS:** Consumable materials and parts (such as antifreeze, oil, filters) are not included in this warranty.

**FEES AND TAXES NOT INCLUDED.** Fees, including, without limitation, waste disposal fees, are not included in this warranty and must be paid by you. In addition, Florida law requires us to collect a \$1.00 fee for each new tire sold and \$1.50 for each new or remanufactured battery sold in the state. This fee is not covered by the warranty and must be paid by you. Some states and/or local governments may require a tax on a portion of warranty repairs. Where applicable law allows, the tax must be paid by you.

**ADDITIONAL EXCLUSIONS FOR REFRIGERATION SYSTEMS:** TA and Petro's scope of services for refrigeration system tractors and trailers covers only external component repairs and specifically excludes the refrigeration system itself. Maintenance items that will not be serviced include, but are not limited to, any internal component of the refrigeration system, the freon filter, the upper belts that require fan replacement and condensers. TA and Petro specifically disclaim any responsibility for the refrigeration system, loss of use of the refrigeration system, damage, loss or spoliation of the contents of the refrigerated trailer, lost time, inconvenience, loss of use of the tractor/trailer or any other incidental or consequential damage or loss.

**HOW CAN A CLAIM BE MADE UNDER THE LIMITED WARRANTY?** No warranty will be honored without strict adherence to the following procedure: You must notify us immediately of any part or service failure by visiting the TA or Petro Location that sold the warranted parts and/or performed the warranted service work or by calling us at 1-800-632-9240. If the original TA or Petro Location is not convenient for you, please telephone us at 1-800-632-9240 and we will direct you to an alternative TA or Petro Location. The owner/driver is responsible for presenting the vehicle to the TA or Petro Location as specified above. **The original invoice from the TA or Petro Location at which the part was purchased and/or the work was performed MUST be presented in order to get the benefit of the limited warranty.**

**WARRANTY LIMITED. THE OBLIGATIONS UNDERTAKEN IN THESE LIMITED WARRANTIES ARE OFFERED ONLY ON THE ABOVE ITEMS AND UNDER THE EXPRESS CONDITIONS SET FORTH, AND MAY NOT BE ENLARGED OR ALTERED BY ANYONE. NO WARRANTIES ARE MADE, EITHER EXPRESS OR IMPLIED, AS TO ANY MATTER WHATSOEVER, INCLUDING WITHOUT LIMITATION, THE CONDITION OF THE PARTS, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, EXCEPT AS SPECIFICALLY PROVIDED HEREIN OR AS OTHERWISE PROVIDED BY LAW.**

**NO COVERAGE FOR INCIDENTAL AND CONSEQUENTIAL DAMAGES. THE ONLY REMEDIES THE PURCHASER HAS IN CONNECTION WITH THE PURCHASE OF PRODUCTS OR SERVICES FROM TA AND PETRO ARE THOSE SET FORTH ABOVE. IN NO EVENT WILL TA OPERATING LLC, ANY COMPANY AFFILIATED WITH TA OPERATING LLC, OR ANY FRANCHISEE OF TA OPERATING LLC (OR ITS AFFILIATES) BE LIABLE FOR BUSINESS INTERRUPTIONS, LOSS OF SALES AND/OR PROFITS, RENTAL OR SUBSTITUTE EQUIPMENT, COSTS OF DELAY OR FOR ANY OTHER SPECIAL, INCIDENTAL OR CONSEQUENTIAL LOSSES, COSTS OR DAMAGES. PURCHASER ASSUMES ALL LIABILITY FOR ALL PERSONAL INJURY AND PROPERTY DAMAGE RESULTING FROM THE HANDLING, POSSESSION OR USE OF THE PRODUCTS BY THE PURCHASER.**

**CONSUMER RIGHTS:** This limited warranty gives you specific legal rights; you may also have other rights which vary from state to state.

**YOUR SATISFACTION** is important to us. If for any reason you are not satisfied with the service you receive, contact the Truck Services manager of the TA or Petro Location where service was provided. If the problem has not been handled to your complete satisfaction, please call 1-800-632-9240.

**GIVEN BY:** TA Operating LLC, d/b/a TravelCenters of America and Petro Stopping Centers, 24601 Center Ridge Road, Suite 200, Westlake, Ohio 44145.

# Cummins ReCon<sup>®</sup> Diesel Warranty

ISX/QSX Engine  
Warranty Certificate

# Coverage

## Products Warranted

This Warranty applies to ISX/QSX Engines originally manufactured or distributed by Cummins Inc. ("Cummins") that are remanufactured by Cummins ReCon® and marketed for use worldwide under the trademark "Cummins ReCon®".

## Base Engine Warranty

The Base Engine Warranty covers any failures of a ReCon® Engine which result, under normal use and service, from defects in workmanship or material. Automotive Coverage extends for two years or 200,000 miles (321,689 km). Injectors are covered for two years or 125,000 miles (201,168 km) whichever occurs first. Industrial Coverage extends for two years or 2,000 hours, whichever occurs first, from the date of delivery of the ReCon® Engine to the first retail purchaser. If the 2,000 hour limit is exceeded during the first year, Coverage continues until the end of the first year. Travel in industrial applications is covered during the Warranty period.

**This Warranty applies only to ISX/QSX Engines delivered after July 1, 2006.**

## Extended Major Components Warranty

The Extended Major Components Warranty covers failures of the Engine cylinder block, crankshaft, camshafts and connecting rods (bushing and bearing failures are not included) which result under normal use and service, from defects in workmanship or material in these parts. This Coverage begins with the expiration of the Base Engine Warranty and ends after three years or 300,000 miles (482,805 km) or 10,000 hours of operation, whichever occurs first, from the date of delivery to the first retail purchaser.

**These Warranties are made to all Owners in the chain of distribution and Coverage continues to all subsequent Owners until the end of the periods of Coverage.**

# Cummins ReCon® Responsibilities

## During the Base Engine Warranty

Cummins ReCon® will pay for all parts and labor needed to repair the Engine as a result of a Warrantable Failure. All labor costs will be paid in accordance with Cummins published Standard Repair Time guidelines. Only parts and assemblies remanufactured by Cummins ReCon® or new genuine Cummins parts and assemblies will be used in making the repair.

During the ReCon® Engine Warranty, for industrial applications, travel is covered up to six hours when a vehicle is disabled as a result of a Warrantable Failure.

Cummins ReCon® will cover reasonable maintenance items (oil, filters, antifreeze) damaged as a result of a Warrantable Failure.

Cummins ReCon® will pay reasonable labor costs for Engine removal and reinstallation in accordance with Cummins published Standard Repair Time guidelines when necessary to make the Warranty repair.

## During the Extended Major Components Warranty

Cummins ReCon® will pay for the defective Engine cylinder block, crankshaft, camshaft or connecting rod.

# Owner Responsibilities

## During the Base Engine Warranty

Owner is responsible for the cost of maintenance items.

Owner is responsible for the costs of all labor required for removal, repair and reinstallation of the failed component or Engine.

Owner is responsible for the costs of all parts required for the repair except for the defective cylinder block, crankshaft, connecting rod or camshaft.

Owner is responsible for the cost of lubricating oil, antifreeze, filter elements, belts, hoses and other maintenance items replaced during the repair.

## Additional Responsibilities During Both Warranties

Owner is responsible for the operation and maintenance of the ReCon® Engine as specified in Cummins Operation and Maintenance Manuals.

Prior to the expiration of the applicable Warranty, Owner must give notice of any Warrantable Failure to a Cummins distributor or authorized dealer or other repair location approved by Cummins and deliver the Engine to such facility for repair. Locations are listed in Cummins United States and Canada Sales and Service Directory.

Owner is responsible for communication expenses, meals, towing, lodging, travel and incidental costs incurred by Owner or employees of Owner as a result of a Warrantable Failure.

Owner is responsible for "downtime" expenses, cargo damage and all business costs and losses resulting from a Warrantable Failure. **Cummins ReCon® is not responsible for incidental or consequential damages.**

# Limitations

## Warranty Limitations

Cummins ReCon® is not responsible for failures resulting from Owner or Operator abuse or neglect, such as: operation without adequate coolant, fuel or lubricants; overfueling; overspeeding; lack of maintenance of lubricating, cooling or air intake systems; improper storage, starting, warm-up, run-in or shut-down practices.

Starters, generators, alternators, flywheels, flywheel housing,

ring gears, fan hubs and other similar items are not included as components of the ReCon® Engine or remanufactured by Cummins ReCon®. Therefore, they are not covered by this Warranty.

Before a claim for excessive oil consumption will be considered, Owner must submit adequate documentation to show that consumption exceeds Cummins published standards and that lubricating oils that meet Cummins specifications have been used.

Cummins ReCon® is not responsible for failures resulting from improper repair or the use of parts not approved by Cummins ReCon® or Cummins.

**These Warranties are the sole Warranties of Cummins ReCon®. There are no other Warranties, express or implied, or of merchantability or fitness for a particular purpose.**
